Outdoor advertising does not include a medium displayed inside a building, even if the medium is visible from outside the building; or a medium that displays the name of the business, unless that medium also contains a cigarette or tobacco product trade mark, brand or trade name, or logo type.

Reports must be filed on or before the 20th day of the month following each reporting period. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day will be the due date. A report must be filed for every quarter, even if no fee amount is due.
