

Historically Underutilized Business (HUB) Certification Centralized Master Bidders List (CMBL) Registration

Dear Applicant:

In fiscal 2008, Texas awarded more than \$1.85 billion in contracts – including more than \$743 million in subcontracts – to companies certified as **Historically Underutilized Businesses (HUBs)**. Be ready when opportunity knocks by certifying your minority- or woman-owned business through the Statewide HUB Program at the Texas Comptroller of Public Accounts. We also encourage you to register for the **Centralized Master Bidders List (CMBL)** to increase your exposure to state purchasers, who search the CMBL for most purchases.

Historically Underutilized Business (HUB) Certification

The goal of the HUB Program is to actively involve HUBs in the Texas procurement process and ensure they receive a fair share of state business. State agencies and universities are required to make a good-faith effort to include HUBs in their purchasing plans. Certified HUBs are listed in the online Texas HUB Directory, and state entities can directly contact a business to buy goods and services for purchases of \$5,000 or less. The Texas HUB Directory is also searched by vendors looking for certified HUBs to include in their subcontracting plans for projects of \$100,000 or more. HUB certification is free of charge and good for up to four years.

To Apply for HUB Certification:

- Review the Eligibility Criteria on Page 2 to determine if your business is eligible for HUB certification.
- If your business is eligible, please provide the general information requested on Pages 3-4 of the enclosed application, complete Page 5 and attach all required supporting documentation. Be sure to sign the application and have it notarized on Page 5.
- Mail your completed application, including supporting documentation, to the address listed on the Application Checklist on the back page. Please allow four to six weeks to process your HUB Certification Application.

Centralized Master Bidders List (CMBL) Registration

When state entities plan to buy goods and services that cost more than \$5,000, they must search the CMBL for potential vendors. Based on the results of their search, they contact vendors directly by mail, fax, e-mail or phone with invitations for bids. The CMBL annual registration fee is \$70 and could potentially open the door to thousands of dollars in new revenue for your business. The fee covers the cost of the program and averages out to only \$5.83 per month.

To Apply for CMBL Registration:

- Please provide the general information requested on Pages 3-4 of the enclosed application and complete Page 6. Be sure to sign the application on Page 6 and include your payment of \$70 in the form of a U.S. check or money order.
- Mail your completed application to the address listed on the Application Checklist on the back page. Please allow up to four weeks to process your CMBL Registration Application.

Note: You can also choose to register for the CMBL online at www.window.state.tx.us/procurement/prog/cmbli to immediately be included on the list.

Thank you for your interest in the state of Texas HUB Program and CMBL. If you have any questions or need assistance completing the application, please contact a program representative toll-free at (888) 863-5881.

HUB Eligibility Criteria

If you are applying for HUB Certification, please review the Eligibility Criteria listed below to determine if your business is eligible for certification.

Criteria I – Ethnicity, U.S. Citizenship and Texas Residency

The following individuals are eligible HUB owners:

- Asian Pacific Americans, including persons whose origins are from Japan, China, Taiwan, Korea, Vietnam, Laos, Cambodia, the Philippines, Samoa, Guam, the U.S. Trust Territories of the Pacific, the Northern Marianas, and Subcontinent Asian Americans, which includes persons whose origins are from India, Pakistan, Bangladesh, Sri Lanka, Bhutan or Nepal.

In addition, eligible HUB owners must be citizens of the United States and Texas residents. Resident Aliens are not eligible for HUB certification.

Criteria II – Ownership

For-profit businesses (sole proprietorships, partnerships, corporations, limited partnerships/companies, joint ventures) where at least 51 percent of the assets and interest of all classes of stock and equitable securities are owned by one or more persons meeting Criteria I above are eligible for HUB certification. Non-profit organizations are not eligible for HUB certification.

Note: Sole proprietorships must be 100 percent owned and controlled by an individual meeting Criteria I above. In addition, each entity within a joint venture is required to be HUB certified.

Criteria III – Active Participation, Control and Proportionate Interest

Business documentation must substantiate that the eligible HUB owners are actively participating in the day-to-day operations of the business at a level that is comparable to their ownership.

Business documentation is also required to show that the eligible HUB owners are able to make independent business decisions (i.e., administrative duties, personnel management, negotiation and execution of contracts and financial transactions) that guide the future of the business. Absentee or titular ownership (owners who do not actively control the business) is not consistent with HUB eligibility standards.

Criteria IV – Principal Place of Business

A Texas HUB's principal place of business must be located in the state of Texas.

All HUB eligibility requirements are defined in Texas Government Code, Title 10, Chapter 2161 and administered via Texas Administrative Code, Title 34, Part 1, Chapter 20, Subchapter B.

U.S. Executive Order and Federal Excluded Parties List

The Contractor/Recipient is reminded that U.S. Executive Orders and U.S. laws prohibit transactions and the provision of resources and support to individuals and organizations associated with terrorism. Texas Government Code Section 2155.006 prohibits all state agencies from contracting with any vendor who has been convicted of an offense related to Hurricanes Katrina and Rita or any subsequent natural disaster, or who has had civil or administrative penalties assessed by the federal government for offenses related to those disasters. Vendors who register or renew their registration on the CMBL certify that they are in good standing with the federal government and are not excluded from doing business with federal agencies or any recipients of federal funds. As required, state agencies and local government entities that use the CMBL are required to conduct an EPLS search for all vendors that submit bids and should report any debarred vendors to CPA. These vendors will be removed from the CMBL and may be subject to debarment by CPA. It is the legal responsibility of the Contractor/Recipient to ensure compliance with Executive Orders and laws. This provision must be included in all sub-contracts/sub-awards under this contract/agreement.

Vendor Responsibility

Vendors should not list their business as a provider of commodities and/or services by the class and item code(s) if the actual product(s) or service(s) cannot be provided. Vendor creditability and accountability as a responsible vendor may be damaged by false representation about the ability to provide the commodities and services (Texas Government Code Section 2155.267).

Vendor Performance

CPA facilitates the requirement to track vendor performance under the Vendor Relations program, which provides a mechanism for vendor performance from state agencies for reporting exceptional, satisfactory and unsatisfactory performance. The actual reports can be viewed by accessing the CMBL profile and are public information.

Note: You may view vendor profiles at www.window.state.tx.us/procurement/cmb/cmbhub.html.

Registration Fee

Please send your payment of \$70 in the form of a U.S. check or money order with your CMBL Registration Application. Applications will be returned if the \$70 annual registration fee is not included.
